What is a Child Find Activity?

A Child Find Activity is a screening service provided to your child or grandchild to monitor their growth and development.

It is available to children zero to five years of age and is free of charge.

We will be screening speech/language development, hearing, vision, health, fine motor skills and social/emotional skills.

Appointments are now being taken.

To schedule an appointment please call

239-4513, 239-4511 or 239-4526
